## Your Contact Information

This section is used to verify your contact information. If you find that any of the information below is incorrect, please make the appropriate changes.

Any changes you make will update your contact information within ARAS **ONLY**. This page will **NOT** update the information contained on AKO.

If you want to query AKO to check/change the information contained there, you may use the [AKO White Pages](#).

This system uses Army Knowledge Online (AKO) for authentication and for email account information.

## Next Reviewing Official

This section is used to collect the contact information for the next person in your accident reporting chain-of-command. This individual will be the person who will review this report for accuracy before submitting it on up the chain for further approval.

Please left-click on the "Enter Email Address" button and put in the reviewer's AKO email address. If the AKO email address is valid, the remaining reviewer fields should automatically populate with information from AKO. Please make any changes needed and ensure that all required fields are complete.

If you don't know the next reviewing official's contact information, you may use the [AKO White Pages](#) to look it up.

This system uses Army Knowledge Online (AKO) for authentication and for email account management. ARAS will verify the AKO email address specified to ensure it is legitimate and will send all future email messages to that AKO account. If you would like for ARAS messages to be sent to your local email address, please visit AKO and select the "AKO Mail (Forward)" option.

 The following error(s) occurred:  
 - SSN is required.

1. If you have to enter two LNs in one AGAR use 000-00-0000 and 111-11-1111 for each SSAN.
2. You can use the fake SSAN of 000-00-0000 in consecutive AGARs. The new LSS will not ask for SSANs for LNs.
